Times tables:

This year, we will continue to focus on times tables. It was a government expectation that by the end of Year 4, all children should know their times table and division facts up to and including 12 x 12. To continue to support the children with their times tables they will be singing songs and doing times table focused activities as part of their Maths lessons.

Throughout the year, the children will continue to be tested on their times tables to further boost/secure their knowledge and also give them an opportunity to earn their times tables certificates.

Please find below the links to TT Rockstars and Hit The Button which the children can use at home to practice their times tables:

Doors

The classroom doors will open at 8:35am and will close again promptly at 8:45am. Anyone arriving after that time will need to go to the office to be signed in. Doors will reopen again at 3:15pm for collection.

We also ask that people are mindful when parking their cars at busy times and be respectful to the local community and each other when parking in the car park. Where possible, we encourage our families to use other methods of getting to school, rather than cars, to ease congestion.

Appointments

If you wish to discuss and problems/issues that arise, then please arrange an appointment at the office with Mrs Bringeman and we will be happy to meet with you.
