

Newsletter Spring 2

Dear Parents and Carers,

Welcome back to the fourth term of the school year. I hope you have had a fantastic and restful (where possible) break. It is great to see the children back smiling and ready to learn.

This newsletter is to inform you of some of the important information and dates about the children's learning and events that are happening this term. Please keep an eye on MyEd for all the latest news and updates regarding events happening at Fishtoft Academy.

You can also keep up to date with the latest news by following us on Facebook and X.

Thanks for you continued support!

Mrs Russo

Important **term dates**

Thursday 6th March - World Book Day

Friday 21st March - Red Nose Day

W/C 24th March - Elite clubs finish

Friday 4th April - Last day of term

Our Curriculum

Maths:

The children are going to be covering in maths this term:

- Fractions and decimals
- Area, perimeter and volume
- Fractions, decimals and percentages

Oak National Academy have some amazing resources to further support your child's learning:

[Free KS2 Maths teaching resources | Page 1 of 2 | Oak National Academy](#)

Times tables :

This year, we will continue to focus on times tables. It was a government expectation that by the end of Year 4, all children should know their times table and division facts up to and including 12 x 12. To continue to support the children with their times tables they will be singing songs and doing times table focused activities as part of their Maths lessons.

Throughout the year, the children will continue to be tested on their times tables to further boost/secure their knowledge and also give them an opportunity to earn their times tables certificates.

Please find below the links to TT Rockstars and Hit The Button which the children can use at home to practice their times tables:

[Times Tables Rock Stars \(trockstars.com\)](#) - **TT Rockstars**

[Hit the Button - Quick fire maths practise for 6-11 year olds \(topmarks.co.uk\)](https://www.topmarks.co.uk/Hit-the-Button)- **Hit The Button**

English:

This term the children are writing with the purpose to entertain. They will start by writing a short narrative based on the text 'Holes' by Louis Sachar. The text will include fronted adverbials, expanded noun phrases, similes, metaphors, paragraphs, subordinating and coordinating conjunctions as well as other features we have looked at in Year 5 and 6. They will then write a non-chronological report and an informal letter.

Oak National Academy have some amazing resources to further support their learning,

Spelling Shed

To help develop the children's spelling, we use Spelling Shed. This program has fantastic games/resources to help the children practice their weekly spellings. The children will be given assignments every week based on a spelling rule and will then be tested in class on that rule the following week.

Please find the link for Spelling Shed below:

<https://www.spellingshed.com/en-gb/>

Science

In Science the children will be learning about forces. They will be looking at gravity, friction and air resistance. They will investigate which materials produce the greatest friction by conducting a fair test. As part of their learning on air resistance, they will plan an investigation to determine who can make the best plane, taking careful measurements and drawing conclusions about how streamlined the plane is and how this affects air resistance and therefore distance the plane will travel.

Towards the end of the unit, the children will investigate mechanisms including levers, pulleys and gears and be able to give everyday examples of each.

Oak National Academy have some amazing resources to further support your child's learning:

History:

Our History topic for the term is Ancient Greece. The children will be learning about the city-states of Athens and Sparta and comparing and contrasting them. They will be researching

Alexander the Great's impact on the Greek Empire and will be using sources to support their conclusions. They will also be exploring the Battle of Marathon as well as discovering what the Ancient Greek Gods were known for.

Important Info

Boom Reader

Boom Reader Your child will be allocated two reading books. One from a reading scheme and the second will be a reading for pleasure book that the children have chosen for themselves. We will continue to use Boom Reader to log reading activity. When using this application, could you please log reading with a parent and when the children read to themselves. To access Boom Reader, please click on the link below:

[BoomReader Parents \(go-read.co.uk\)](https://go-read.co.uk)

If you have any questions or problems, please don't hesitate to come and see me.

Homework

Homework will be set on a Friday and is due in the following Wednesday. The homework is always fully explained to the children and often recaps things they have been learning in class. The children will be sent home with a copy of the pick and mix grid which has the homework for the term on (this is also available on the school's website). If there are any issues or problems with the homework, please don't hesitate to get in touch.

Water Bottles

Please ensure that water bottles contain only water as squash and fizzy drinks are not permitted in the classroom. We also ask that all water bottles are named so the children can easily identify theirs and that they are plastic. Glass bottles are not permitted in school.

MyEd

Please keep an eye on MyEd as any important information, notices and letters will be posted on the app. We will also post some of the amazing work the children have been doing in class and celebrate some of their successes through our social media platforms. If you have any issues/problems with accessing MyEd please see Mrs Bringeman in the office.

Carrot Rewards

Children can earn a range of certificates based on the amount of Carrot Reward points they earn and at the end of every term the 10 highest earners will win special certificates to celebrate their hard work. As well as this, the Carrot Reward points can be spent in the online shop and the items the children buy will be brought down to the classroom by Mrs Bringeman.

To access Carrot Rewards please click on the following link - [School Rewards Platform | Carrot Rewards](#)

Doors

The classroom doors will open at 8:35am and will close again promptly at 8:45am. Anyone arriving after that time will need to go to the office to be signed in. Doors will reopen again at 3:15pm for collection.

We also ask that people are mindful when parking their cars at busy times and be respectful to the local community and each other when parking in the car park. Where possible, we encourage our families to use other methods of getting to school, rather than cars, to ease congestion.

Appointments

If you wish to discuss and problems/issues that arise, then please arrange an appointment at the office with Mrs Bringeman and we will be happy to meet with you.
