

Welcome back to Term 3

Dear Parents & Carers,

Happy New Year and welcome back to Fishtoft Academy. We hope that you all had a fantastic break, and took the opportunity to relax and unwind with friends and family. We are excited to welcome back all of our children safely and are raring to go into 2025, with lots of exciting things planned and coming up!

This year, the school continues with its journey of improvements and enhancements, building on the work that has previously been done. Plans for the brand new EYFS Classroom have been submitted and accepted, and the construction work is now going out to tender. Once plans and timelines have been finalised, the school will be offering a Q&A session for parents to come and look at the plans and details for the scope of works - so keep an eye out for further communications. Work will be starting at Easter to remove the tired blue fence at the front of the school and plans are currently underway to look at redeveloping the front area of the school to provide a fresh look and space for the children to relax and enjoy at play time and utilise in outdoor learning opportunities.

In other exciting news, the Fishtoft Parent & Toddler group will be opening from January 22nd, every Thursday from 10:00-11:15am. This presents an opportunity for parents to come along in a "stay, play & chat" capacity, with activities and guest speakers planned, it is an ideal time for children and adults to socialise, and presents the perfect chance to find out a little more about the school and acts as a stepping stone for those getting ready to start school in September 2026 - whether that be at Fishtoft Academy or elsewhere. Mrs Williamson and Miss Parsons will be leading these sessions. Anyone wanting further information can visit the Office and Mrs Bringemann will be happy to assist.

With plenty of Sports trips in the diary for this term, and school outings - it is going to be another jam packed term at Fishtoft Academy!

As always, thank you for your continued support towards the school and community. I look forward to seeing you all across the term.

Kind Regards, Dr C Early.
