

# Fishtoft Academy 'Pick and Mix' Homework

## Dolphins – Summer 1

This 'Pick and Mix' homework is for the whole half term. **Red** Boxes need to be completed regularly each week. **Yellow** Boxes must be done by the specified dates.

Challenge yourself to the **green** box activities- you will receive 5 extra carrot points for each one you complete.

Remember – your Home Learning Journal must be returned to school each Wednesday for Miss Collins to review .

### Reading

You must read at least 3 times a week at home. Please add your reading to Boom Reader. Remember to bring your books into school everyday.

### Complete by: 24<sup>th</sup> April Writing Task

Create a fact file all about yourself so that your teacher can learn all about you. Include a self portrait, the books you like to read and things that you like to do in your spare time.

The empty box  
Please complete a task of your choice- it could be linked to your interests e.g football match report/ dance show review/ favourite TV or film report.

### Complete by: 15<sup>th</sup> May Reading Task

Complete a reading river to show all of the things that you may read- this can be for a week or a day.

### History task

Complete a fact file/information sheet about a famous volcanic eruption.

### Complete by 8<sup>th</sup> May Science task

Describe how a magnet works. Use scientific vocabulary to explain this. Illustrate with labelled diagrams.

### D and T task

Can you make a volcano from items you can find at home?

### Spelling

Every week you will receive spellings to be learnt for a test on the following week. These spellings will be in line with the spelling rule we will be learning each week. Spelling shed has games that you can play to practise your skills

### Completed by 22<sup>nd</sup> May Maths task

Complete the times table activities.

### Science task

Find, draw and label 5 things that are magnetic and 5 that are non-magnetic in your house. Can you explain why the items are magnetic?

### Complete by: 1<sup>st</sup> May

### Topic Task (Geography)

Draw a cross section of a volcano and label it.

### Art task

Can you create a piece of art from recycled resources?

Create a poster showing what forces you can see in your everyday life e.g. swings, door handles (push and pull), chair, tables standing still (gravity). We are looking for diagrams and written text to explain each force.

### Geography task

Draw a world map and label the continents. Identify ten volcanoes and add to your map.

### Number Facts

Practice your tables for our new tables challenge. Identify your weakest tables and see what certificate you can earn by the end of the term.

Please tick and initial the activities your child has completed.
