

What is the Sports Premium?

Since March 2013 the Government have provided additional funding to improve provision of physical education (PE) and sport in primary schools in England – The Primary PE & Sport Premium. This funding – provided jointly by the Departments for Education, Health and Culture, Media and Sport – is allocated to primary school head teachers and is ring-fenced and therefore can only be spent on provision of PE and sport in schools.

Purpose of funding:

Schools must spend the additional funding on improving their provision of PE and sport, but they will have the freedom to choose how they do this.

Vision:

All pupils leaving primary school will be physically literate and have the knowledge, skills and motivation necessary to equip them for a healthy lifestyle and lifelong participation in physical activity and sport.

Objective:

To achieve self-sustaining improvement in the quality of PE and sport in primary schools. We would expect indicators of such improvement to include:

- The engagement of all pupils in regular physical activity – kick-starting healthy active lifestyles
- The profile of PE and sport being raised across the school as a tool for whole school improvement
- Increased confidence, knowledge and skills of all staff in teaching PE and sport
- Broader experience of a range of sports and activities offered to all pupils
- Increased participation in competitive sport

2016/2017

Project	Outcomes
Become members of Connect Teaching School – Connect Sports Programme	The Sports Partnership has given the school the opportunity to take part in a large number of different sporting activities this year. These have given all classes the opportunity to be involved off site. The way the competition structure has been set, has given pupils across Key Stage 2 a large access to competitive sport, which has also seen large numbers being involved. *See calendar below
The use of the Sports Hall at Tollfield Campus so that children can take part in a wider range of sporting activities	<ul style="list-style-type: none">• 1 hour per week for two terms each year. Transport paid for.
After school sports activities (free of charge)	Multi-skills Football Dance
Invest in new sports equipment for the school; including gymnastic equipment.	New equipment has been bought to be used within a hall eg gymnastic equipment such as mats and benches.
Invest in new playground games – use at playtime and develop play leaders.	New equipment bought including playground games and activity ideas.

Playtime equipment	One off cost	£300
PE and sports equipment – including mats and benches.	One off cost	£6,093.00
Total:		£8,183

Impact

Our staff and children are benefitting greatly from the Sports Premium funding, which is having a positive impact on our pupils' physical wellbeing, as well as broadening all of our horizons with regard to sporting experiences. Below is an outline of the impact that the Sport Premium Funding has had on our school and pupils;

- We have been able to take part in a wider variety of sports events, most of which were run by specialist sports coaches at the Tollfield campus.
- By taking part in a range of sporting activities the children are given a chance to compete against the bigger schools within the federation creating healthy competition.
- The swimming gala was a success and our team came 4th out of 6 teams; Fishtoft were by far the smallest school that entered a team.
- Travelling to the Tollfield campus allows the children to take part in a wider range of sporting activities as the sports hall can be used – the children are able to develop their skills further and prepare for competitions.
- All our Y6 children left the school being able to swim at least 25m, (none of the children needed to take part in the 'Top up' swimming offered.

How will we be spending our Sports Funding 2017/2018?

At Fishtoft Academy we understand the importance of physical activity and sport. We believe that being active, working as a team and trying new sports is vital to the overall wellbeing of our children. With this in mind we propose to spend this additional Sports Premium funding in the following ways:

- Membership to the Connect Sports Programme
- Employ specialist sports coaches to teach PE at Tollfield
- Offer after school sports coaching and clubs
- Subsidise the Kingswood activity weekend
- Purchase new sports and PE equipment
- Invest in staff training, particularly for PE leaders
- Fund transport so the Tollfield campus can be used while we have no access to a hall on site.
- Supplement the cost of sports clubs.
