### Impact

**Our staff and children are benefitting greatly from the Sports Premium funding, which is having a positive impact on our pupils' physical wellbeing, as well as broadening all of our horizons with regard to sporting experiences. Below is an outline of the impact that the Sport Premium Funding has had on our school and pupils;**

- We have been able to take part in a wider variety of sports events, most of which were run by specialist sports coaches at the Tollfield campus.
- By taking part in a range of sporting activities the children are given a chance to compete against the bigger schools within the federation creating healthy competition.
- The swimming gala was a success and our team came 2nd out of 6 teams; Fishtoft were by far the smallest school that entered a team.
- Travelling to the Tollfield campus allows the children to take part in a wider range of sporting activities as the sports hall can be used – the children are able to develop their skills further and prepare for competitions.
- The Bears offer a popular after school club to encourage multi-sports skills.
- Equipment provided at playtime ensures that the children remain active.
