## Remote Learning During the Coronavirus (COVID-19) Pandemic

Within the ever-changing circumstances we are currently living through, we must be prepared for local lockdowns. In the event of a local lockdown, the school will implement provision for remote learning to ensure pupils never miss out on education. We will ensure that our curriculum is inclusive and accessible to all. This policy annex outlines how we will deliver remote education during the pandemic.

### Legal framework

- 1.1 This policy has due regard to all relevant legislation, statutory and good practice guidance including, but not limited to, the following:
  - DfE (2020) 'Safeguarding and remote education during coronavirus (COVID-19)'
  - DfE (2020) 'Adapting teaching practice for remote education'
  - DfE (2020) 'Guidance for full opening: schools'
  - DfE (2020) 'Get help with technology during coronavirus (COVID-19)'
  - DfE (2020) 'Get laptops and tablets for children who cannot attend school due to coronavirus (COVID-19)'
  - DfE (2020) 'Laptops, tablets and 4G wireless routers provided during coronavirus (COVID-19)'
  - DfE (2020) 'Remote Education Good Practice'

## 2. Contingency planning

- 2.1 The school will open to all pupils unless directed otherwise by either National or local (Lincolnshire Health Protection) guidance.
- 2.2 The Academy will work closely with the Trust to ensure that the premises are 'COVID-secure', and will complete all necessary risk assessments – the results of which will be published on the school's website.
- 2.3 The school will work closely with the local health protection team when entering into a local lockdown and implement the provisions set within their contingency plan.
- 2.4 The school will communicate its plan for a local lockdown with parents, including whether it will remain open to vulnerable pupils and children of critical workers, or if remote working will be applicable for all.
- 2.5 If there **is not** a local lockdown, but a whole 'bubble' needs to self-isolate, the school will immediately implement remote learning for that group.

## 3. Teaching and learning

- 3.1 All pupils will have access to high-quality education when remote working.

3.2 The school will use a range of teaching methods to cater for all different learning styles, this includes:

- The use of live and pre-recorded lessons (live for year 2-6 and a combination of live and pre-recorded sessions for EYFS & Y1).
- The use of online learning platforms/apps such as Times Table Rock Stars & Star Reader.
- The use of age-appropriate online videos and resources such as the National Oak Academy materials / website.

3.3 Teachers will ensure lessons are inclusive for all pupils and can be adapted to account for the needs of disadvantaged pupils and pupils with SEND.

3.4 When teaching pupils who are working remotely, teachers will:

- Set assignments so that pupils have meaningful and ambitious work each day.
- Deliver a planned, coherent and well-sequenced curriculum which allows skills to be built incrementally. The material delivered will be consistent with that that would be delivered should children not be learning remotely: ie Consistent subject knowledge content and associated skills and concept development.
- Provide frequent, clear explanations of new content through live and pre-recorded sessions.
- Assess progress by using questions and other suitable tasks and be clear on how regularly work will be checked.
- Adjust the pace or difficulty of what is being taught in response to questions or assessments, including, where necessary, revising material or simplifying explanations to ensure pupils' understanding.
- Plan a programme that is of equivalent length to the core teaching pupils would receive in school: Minimum 3 hrs for EYFS/KS1 & 4 hours for KS2.

3.5 As a general guide:

Each morning, during remote learning periods, a daily schedule will be sent out to parents/carers via WEDUC and Seesaw. This will be posted by 8:45am (The start of the school day if students were in school).

Relevant supplemental materials to support students with their learning that day will also be posted at this point.

Teachers will provide a 'live' registration period each morning to meet and greet pupils and set expectations with students. This will start at 8.45am.

Teachers will deliver the daily literacy and maths lessons that would have been delivered in school via live (Year 2-6) or pre-recorded (EYFS & Y1) sessions.

In other words:

- Daily Phonics or spellings
- Daily Literacy
- Daily Maths
- Guided Reading (Year 1-6) or story time (EYFS)

From years 2 to year 6, live sessions will take place every morning from 8.45-12.10 pm. The live session will be split into smaller sessions (no longer than one hour) with regular breaks in between.

Children are expected to be on-line all morning, yet within each session there will be inputs where content/concepts will be modelled, followed by time for task completion away from the screen. (Staff will remain on-line to answer questions /offer support.)

The non- core learning will be explained via a live input and then children will work independently through this. (Not delivered via live sessions.)

All provisions for remote learning will be subject to the class group's age, ability and/or any SEND.

EYFS and Y1 pupils will have a daily live registration period followed by a series of pre-recorded videos for phonics, literacy, maths and topic, which they will work through at their own pace.

- 3.5 In exceptional circumstances, the school may reduce its curriculum offering to enable pupils to cope with the workload – the headteacher will assess this need, keeping pupils' best interests in mind, and will not take the decision lightly.
- 3.6 Teachers will continue to make use of formative assessments throughout the academic year, e.g. quizzes.
- 3.7 The school will utilise the support available through the DfE's 'Get help with technology during coronavirus (COVID-19)' scheme to ensure students without due required technology can access the remote learning offer.
- 3.8 Under the scheme, the school can order laptops, tablets and 4G wireless routers to support the following groups of pupils if they do not have access to a digital device or the internet through other means:
  - Pupils in Years 3 to 11
  - Clinically extremely vulnerable children across all year groups who are shielding or self-isolating in line with government advice
  - Children in all year groups who are unable to access remote education whilst attending school on a hospital site
- 3.9 Before distributing devices, the school will ensure:
  - The devices are set up to access remote education.
  - Appropriate safeguarding controls and support are in place to help pupils and their families use the devices safely.

- 3.10 Once devices are ready for collection, the school will either arrange for them to be collected by families from school or delivered to pupils' homes, ensuring infection control measures are adhered to as part of this process.

## **4. Returning to school**

- 4.1 The headteacher will work with the Local Health Protection Team to ensure pupils only return to school when it is safe for them to do so.
- 4.2 After a period of self-isolation, or the lessening of local lockdown rules, the headteacher will inform parents when their child will return to school.
- 4.3 The headteacher will listen to all concerns that parents may have about their child returning to school and will advise them of the measures in place to reduce any risk of the safety of their child.

## **5. Monitoring and review**

- 5.1 This policy annex will be reviewed in line with any updates to government guidance.
- 5.2 All changes to the policy will be communicated to relevant members of the school community.
